Staff Appreciation Luncheon and Staff as Artist

This year's Staff Appreciation Luncheon will be Wednesday, May 23rd – mark your calendars and don't forget your ID! As an extra treat, staff may once again feature their amazing art work in the Staff as Artists exhibit outside. If you would like to share your expressive side, look for the registration form coming soon, or contact Carla Sakiestewa at csakiestewa@salud.unm.edu. While the event will not include sales, artists may share their business cards or other marketing information.

Free Parking for Staff Luncheon

Staff who do not work on Main Campus can park in the R Lot (map attached) on May 23rd between 10:30 and 2pm, free of charge. Staff Council is footing the bill, to ease the strain for employees who do not work on Main Campus! We hope to see you there, and that this makes it just a little easier to enjoy the Staff Appreciation Luncheon! These spots are available on a first-come, first-serve basis, and we ask Staff to be respectful of the time of others and only to park in the lot for the duration of your stay at the luncheon. Additional parking is always available in the Cornell parking structure, for \$2/hour.

To read the resolution in full, visit the Staff Council website at <https://staffcouncil.unm.edu/about/pdfs/sc-resolution-2018-1.pdf>.

IMPORTANT UNM RECYCLING INFO

UNM Recycling would like to clarify some of our processes. Recycling techs will not enter offices to pick up **blue desk side bins**, these bins **must be emptied** by the office occupant **into the larger blue bins located on their floor**.

Also **cardboard boxes should not be left in hallways**. UNM Safety and Risk Services has determined that neither corridors nor exits may be blocked by furniture or other obstructions since it could slow evacuation in the event of an emergency. Neither custodians nor recycling techs are allowed to remove cardboard boxes from the hallways, this is the responsibility of the building occupants. **Cardboard boxes should be flattened and placed adjacent to the large blue recycling bins, inside a trash room, or in the cardboard cages located outside near the building loading dock**. Recycling techs will pick up cardboard in those locations. If you have any further questions about recycling, please contact Mary Clark, Sustainability Manager, at 277-1142 or mary@unm.edu. Thank you.

Check Out the HSC Office Supply Exchange!

Everything is free! Come and visit the Office Supply Exchange. There are binders, inboxes, hanging folders, various printer cartridges, and a variety of other usable office supplies. Take what you want or leave some items for the taking.

The exchange is located in the copy center in the basement of Fitz Hall (North Campus) and open from 8-10 AM and 1-3 PM.

Did you know that UNMPD offers a free Security Escort Service?

Service is provided on a first-come, first-served basis, and occasionally a brief wait may be necessary. If you are concerned at any time about your safety, call the Campus Police at 277-2241. Escort service is provided 24 hours a day, 365 days a year.
