HSC Employee Recognition-2019 Jim Davis Staff Council Award for Meritorious Service

The Jim Davis Staff Council Award for Meritorious Service recognizes significant contributions to the Staff Council.

2019 Jim Davis Staff Council Award for Meritorious Service, Nancy Shane, UME Program Evaluation, UNM SOM

Nancy exemplifies great leadership and service to the Staff Council. No matter how much she has in her workload, Nancy is at the meetings and puts effort and support into the different events and causes and she champions and commits to causes that are important but overlooked. She works to support our staff and students with disabilities, including the resolution to support and hire staff with disabilities and working to create a welcoming environment for coworkers and students with disabilities.

Great job and way to go!

To recognize our great HSC Staff members in future newsletters, please send awards and nominations to Desireé Quiñones-Soria (DQuinonesSoria@salud.unm.edu).

North Meets South!: Thursday June 27th, 2019

Help us to bring North Campus to South Campus!

South Campus staff have a difficult time attending staff appreciation events, so we thought we would take a little of North Campus to them! We will charter interested staff to South Campus for an hour of games and light refreshments.

We will have our first meeting the week of May 20th.

If you are interested in helping to plan this outing, please email Nancy Shane (NLShane@salud.unm.edu) by Wednesday, May 15th, 2019.
