Approved the Minutes and Agenda

Members Present: Joe and Rob (In Person) Lorena, Mark and Grace (Via Skype)

Discussion:

- Paws Scoring was Completed – Frank Borja was the winner for February
- Discussed Jim Davis Awards – Right now we only have a few nominations, so it was decided if that was really the case (verifying with Amy), that we would extend and ask Amy to publish that next week, which again I have sent an email to Amy to find out.
- Staff Appreciation Week – We came up with the calendar for the week, which includes:
  - o Monday - Southwest Biology Museum Tour(s)
  - o Tuesday - Movie Night (Teenage Mutant Ninja Turtles – it is a movie that is 30 years old this year, to go along with our 30 year celebration) – I am working with Student Activities to see the feasibility and costs
  - o Wednesday – Staff Appreciation Lunch (We are going to ask about having outside seating as well, if there are still individuals concerned with the COVID-19)
  - o Thursday – Happy Hour at High and Dry Brewing (someone needs to reach out to the individuals there to set that up and I have the contact info – any takers???)
  - o Friday – The 30th Anniversary Events being done by this committee, which will include the Staff photo
  - o Saturday – Amy has secured us a potential discounted ticket option for the NM United game (I am following up with Amy to see about the discount)
- Mesa Del Sol Tour – Need to look into transportation options and also find a date for this
- Cancer Center Tour – This will be held later this Month on March 27th

Lastly, this is all up in the air, particularly because of the COVID-19 situation, but hopefully we will be back to normal in May.
